

Dear friends and neighbors,

This Friday, August, 18th, my office will be hosting a special Constituent Services Fair at North Shore Community College's Lynn Campus.

We are coordinating with nearly thirty state and federal government agencies, non-profits, and other providers that will have representatives on-site at the event.

Need help with finding a job or housing, or assistance with legal aid or a tax return? This will be an opportunity to cut through the red tape and speak directly with agencies and local nonprofits about services and benefits.

My casework staff will also be available to speak with constituents about the various services they can help with. Last year, my team successfully closed nearly 3000 cases for constituents. To date, we have returned over \$25 million to constituents.

Participating agencies and organizations include:

- Action, Inc.
- AgeSpan
- Disability Resource Center
- Greater Lynn Senior Services (GLSS)
- Internal Revenue Services (IRS) / Tax Advocate Services (TAS)
- LEO Inc.
- Lifebridge
- Lowell Veterans Center
- Lynn Housing Authority and Neighborhood Development (LHAND)
- Lynn Senior Center
