

## ***DAV Department of MA Launches New Website***

**14 JUNE 2023:** For immediate release. As part of our continued and relentless pursuit to deliver exceptional service, the Disabled American Veterans Department of Massachusetts, (DAV MA), has launched a new website. For more than 100 years, DAV MA has been a strong and influential advocate for veterans, fighting on their behalf to ensure they receive the full range of services and protections they deserve. With the new and revised website added to its arsenal, DAV MA continues to ensure that access to pertinent benefits is easy and understandable for veterans and their families.

Additionally, DAV MA members will enjoy a first-class user experience on their new website because it was developed with our members needs in mind. To accommodate our members, the new site offers both public and private members pages offering access to resources, links, documents, and services. From finding information to help locate a job, housing resources and more, [DAVMA.org](http://DAVMA.org) and [DAVMAmembers.org](http://DAVMAmembers.org) has it all.

“ Michael Valila, Assistant Adjutant of DAV MA, noted “We are excited to offer a website that is easy to navigate and will provide quick, easy access to professional assistance to all veterans and their families in obtaining their veteran benefits, and more”.

The new website features a Podcast that will offer updates that impact our DAV members, interviews with supporters of our organization, and even inside information as it pertains to benefit changes and more. Lisa Hughes, WBZ-TV News Anchor, has always been a supporter and advocate of the Disabled American Veterans and is the first featured guest.

“ The DAV fulfills vital needs for our veterans and their families. It is a privilege to help in any way I can. There’s no way we can ever thank our veterans for their service and sacrifice. Lisa Hughes, WBZ-TV News Anchor

## **About DAV Department of MA**
